## COMPANY PROFILE

We are a distinguished manufacturer, exporter and supplier of an attractive collection of Stainless Steel Kitchen Sinks, Kitchen Sink Accessories and Others, designed in compliance with the international standards. Innovative sinks and accessories have fostered a boom in our sales and enabled us to break global barriers, thereby penetrate in international market.

Our sky scraping status incurred over the years is attributable to the professional expertise as well as total quality compliance.

In-house manufacturing facilities, well equipped infrastructure makes us to provide you with sinks as per your choice.

Company has a dedicated workforce determined to produce quality sinks.

## WIDE APPRECIATION OF OUR ORGANIZATION

Wide product range with consistent quality

Quick product improvement

Cost competitiveness

Team of Experts

Absolute commitment to client's demands and deadlines

Proactive business approach

Timely delivery.

# THREAD SEAL TAPE

# FANTUS

Thread seal tape is a polytetrafluoroethylene (PTFE) film cut to specified widths for use in sealing pipe threads.

Thread seal tape can be used in many ways the most common of which is to seal pipe threads. also known as plumber's tape, PTFE tape, tape dope.

**Proper method to apply PTFE thread seal tape to ensure tension on threads**

1. Start at underside of the pipe thread
2. Tape strip should be at the top of the roll
3. Wind in the direction of the thread  
(Clockwise when facing end of pipe)

# FEATURES

# FANTUS

## Edges for Kitchen Sink

Triple Beading

Single Beading

## Stainless Steel Grade

We use India's high quality stainless steel grade which gives Raghunath Steels Sink extra high durability & unbeatable performance.

## Steel Thickness

We use 1mm thickness of steel because thicker the steel, the less susceptible it is to denting, noise transmission & the hand knocks of pots & pans. So, the thickness does matter.

## Easy Clean

FANTUS Sink have a specially designed surface that is easy to clean & maintain. No need to use hand scrubbers or harsh detergent & acids just a soft cloth and scope water will do.

# FEATURES

# FANTUS

## Steel Finish

## Matt Finish

## Plast Care

Every FANTUS Sink comes protected with a thin plastic film over its entire body. This prevents scratches or marks on the surface during sink installation.

## Sound Deadening Pad

A unique sound suppression pad, all FANTUS model helps minimize the noise of utensils while washing & stocking in the kitchen sink.
